I would like to **thank everyone** for all the prayers, texts, phone calls, cards, visits, and inquiries about my health these past few months. I am so blessed with caring pastors and church friends. Now that both my back and hip surgeries are behind me, I am trusting for better days ahead. **Ernie Irwin**.

FBC Family, **I am very grateful** for all the kind words of encouragement and prayers from the members of our church congregation. All the get-well cards were very thoughtful and are helping me get through this small setback. **Thank you so much! Jake Nelson**

Dear church family. Thank you for the many cards with scriptures and personal notes during the past 90 days. I reflected on every scripture and appreciated your personal notes. I needed each one. I was like a child waiting to see what came in the mail every day. We love our church family. **Don and Loretta Pullins**
